

NEMA Standards Product List

AMERICAN DENKI's NEMA standards wiring device series includes products with 14 different standards (ratings). We have a lineup of various products depending on the purpose, such as receptacles, plugs, power strips, and rack mount PDUs.

As of January 15, 2025

Twist Locking			Receptacle	Wall Plate		SEALOCK PLATE	L-shaped Plug	Plug		Connector Body		Waterproof Plug	Waterproof Connector Body	Multiuse Power Strip Single Tap Double Tap	
NEMA No. <small>At the end of the number, "R" is receptacle, "P" is plug.</small>	Rating	Configuration		Nylon	Aluminum			Nylon Housing	Rubber Housing	Nylon Housing	Rubber Housing

NEMA standards are organization standards established by the National Electrical Manufacturers Association for the purpose of providing guidance for selecting and purchasing electrical products.

※1: Stainless steel plate
 ※2: NEMA L14-30 is dual voltage circuit type. Please select to your use.
 ※3: NEMA 6ALT-20(Canadian standard) is compatible with NEMA 6-20.
